INFORMAL MEMORANDUM FOR: Assistant Director/Research & Reports
SUBJECT : Training for Provisionally Cleared
Professional Personnel

I rather got the impression yesterday, Bob, that you felt there had been insufficient coordination on the whole subject of training for provisionally cleared professional personnel, and I am therefore sending you copies of two memoranda on the subject, one from Jamie Andrews dated 6 November, and my reply dated 7 November. My reply went also to Red White per the recommendation in paragraph 5. No official action has been taken by Red White except to tell me verbally that there would be no outside-Agency training for provisionally cleared personnel.

I suggest that you re-open the whole thing via [REDACTED] office, and hasten to assure you that the Office of Training will do whatever is required of it in the matter.
